Mounts to Optional Roller Seat Bracket (A361)

Compatible Only With Gen 2 Roller Seat Mounting Bracket

**Description**

Make your mechanics roller seat even more comfortable with this optional back rest to suit the generation 2 version of our DMRS-600B roller seat. Easy to install on the steel mounting plate, the back rest features a strong cast aluminium support frame with a deluxe thick padded back rest to increase the comfort level of the seat.

**Features**

- Compatible with our Gen - 2 version of the DMRS-600B heavy duty mechanics roller seat
- Thick padded back rest - 240 x 150 x 60mm
- Includes strong cast aluminium support frames & fixing hardware
- Mechanics Roller (Gen - 2) seat must have steel mounting bracket on underside of seat (Purchased after approx. 20th July 2025)
