## HAFCO Ball Bearing Drill Chuck Industrial

Chuck Key

### Description

High precision drill chucks with ball thrust bearings to reduce friction in the closing mechanism and maximising drilling torque.

Golden Goose Brand

Benefits:

The Super Ball Bearing Chucks are equipped with ball bearings to reduce friction in the tightening mechanism and provide a better grip on the drill. Used for industrial applications that require the toughest machining conditions, where high accuracy drilling is a must (max. run-out .003" approx).

### Features

- Precision jaws
- Accuracy (max. run-out .003" approx)
- Greater tightening force
- Less chance of the drills slipping
- Heavy duty for industrial use

### Includes

- Chuck Key
