Universal Deburring Tool Set - 23 Piece

TOOLMASTER Universal Deburring Tool Set - 23 Piece

De Burring Attachments

De Burring Kit

Description

Deburring Tools are used for removing unwanted sharp edges of metal after being machined. Filing can be time consuming and not always the best solution to achieve a clean smooth edge. This is why our Deburring hand tools have been designed to easily remove burrs economically fast & efficient.

The heavy-duty Toolmaster 23 piece Deburring kit is specially designed for workshops to cover most of the applications from mass production to one off pieces. The kit is housed in a sturdy plastic case & a must for all workshops.
