Description

The FXT-915 Fixture Table is a versatile solution for any home workshop. The table is designed with a solid 3mm steel top complete with 16mm holes to accommodate welding table clamps or jigs for easy set-up for welding, grinding or as a mobile work surface, whilst the steel lower shelf gives you convenient storage for your welder or other tools. The table features heavy 50 x 50 x 4mm angle steel legs giving it a large 500kg load capacity along with heavy duty swivel castors allow for easy mobility so when you have completed your job and need the floorspace, unlock the casters and simply move the table away!

Features

- Table Dimensions : 915mm (H) x 460mm (W)
- Genuine 3mm Steel top plate
- Table Holes: 16mm @ 63.5mm centres
- Heavy legs made from 50 x 50 x 4mm mild steel angle
- Steel storage shelf
- 4 x large swivel castor wheels with brake
- 500kg load capacity
- Multi use for any workshop
