Description

Colour may vary.

The SDC-5E portable deluxe service tool cart comes with 5 drawers that glide smoothly on ball bearing slides, and they also include the new safety quick access finger latch on each drawer. This feature prevents the drawers from accidentally opening when moving the cart quickly around the workshop.

This great tool storage unit also has 2 internal screwdriver bays on both left & right side of the top compartment, key lockable top lid with mechanical drawer lock system that operates with the opening and closing of the lid. There also is plenty of storage below with a huge base shelf to hold larger items. This service tool cart is ideal for any workshop or home garage.

HAFCO Steel Service Cart - Deluxe SDC-5E
