Heavy Duty Drawer Slides

Drawers with Safety Lock

Key Lock

**Features**

- Heavy duty tooling cabinets, ideal for industrial applications and serious workshops
- The sliding drawers are a welded strengthened single rail design coupled with high quality mechanical bearings for long lasting smooth operation
- Each drawer is rated at 100kg load capacity with 97% drawer access
- Single Key lock design for safe storage. Each drawer has a mechanical safety lock which allows one drawer to be opened at a time, preventing the cabinet to tip over
- All top drawers include a series of different size plastic boxes for those small items
- All other drawers come with adjustable steel dividers. The wood top with frame is a great option to rest tooling and precious parts on top of the cabinet
