Base Dimensions

Description

This 125mm universal vice is manufactured from cast iron. The MPV-12 features a rotating head and swivel base, each with its own lock. There's a graduated scale on the swivel head as well as vice opening.

Case-hardened jaws with grooves allow for better gripping. This vice from TM comes with a quick-action vice lock/release mechanism, anvil plus includes both V and pipe jaws.

Features

- Rotating head with lock
- Swivel base with lock
- Quick action vice lock/release mechanism
- Case hardened jaws with grooves for better gripping
- Graduated scale on swivel head and vice opening
- 63 x 80mm anvil
- Includes V & pipe jaws
