Plasma Cutting Tray

Plasma Cutting Tray Easily Folds Down Flat

STRONG HAND TOOLS Plasma Cutting Tray TPL3021

Shown Mounted To Optional Rhino Cart

Shown Folded Away To Optional Rhino Cart

Shown In Use

Description

The Plasma Cutting Tray supports 45kg, on a 457mm x 711mm cutting surface with 14 reversible / replaceable steel slats. Generous 45mm width between cutting slats provides ample space for hold-down clamping. Slats are secured in place to maintain rigidity while you work. Cut, clamp and fixture on one convenient optional mobile work station at the ideal, uniform working height.

The fold-out Plasma Cutting Tray easily folds down flat against the optional Rhino Cart® when not in use.

Features

- 457mm x 711mm work area with 45kg capacity
- Folds flat when not in use
- Reversible/replaceable steel slats
