## HAFCO Welding Table Riser Block WTR-311

Standing Up

Rear View

### Description

Our Hafco welding table riser block is the perfect complement to our welding & fixturing tables to aid in jiggging of your welding projects. These self-weld blocks are precision laser cut from 6mm steel & feature industry standard 16mm holes at 50mm centres.

### Features

- Heavy 6mm Steel construction
- Easy to assemble self-weld design
- Precision laser cut Ø16mm holes @ 50mm centres to work with industry standard tooling
- Please Note: assembly & welding is required to complete setup
- All photos shown have been welded and polished
