## HAFCO Magnetic Swivel V-Pad Clamps WMVP-2M

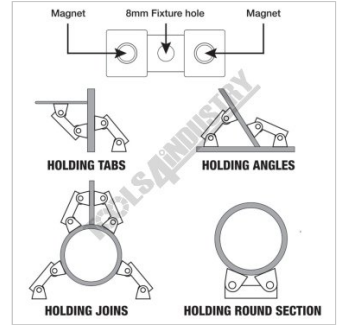

Holding Round Sections and Tabs

Holding Angles

Holding Sheet Metal

Overview

### Description

The swiveling magnetic jaws will hold almost any round or flat part. The dual swivel pads feature strong magnets to aid in holding your work piece. The base includes a through 8mm hole so that it can be used to attach to your jigs or welding table fixtures. Sold in a pack of 4pcs.

### Features

- Hold and position round, flat and square parts in multiple applications
- Each V-Pad contains 2 rare earth magnets
- Adjustable multi-purpose fixture clamps
- Hold and position steel
- Ø8mm Fixture hole
