(10 Inserts Per Pack)

**HAFCO-WOODMASTER Tungsten Carbide Inserts for Helical Cutter Heads on Thicknesser**

Insert

Insert Top View

**Description**

Perfectly suited to Australian hardwoods, these replacement inserts feature 4 cutting edges & being manufactured from Tungsten carbide means they will far outperform HSS to give you a superior surface finish while staying sharper longer.

**Features**

- Suitable for wood working helical head cutters on HAFCO T406S, T-508S Thicknessers (W834, W838)
- 10 Inserts Per Pack
- 15mm cutting edge, 2.5mm thick with Ø6.35mm bore
- Suits other machine models
